RESTORING MIDCENTURY STYLE

BY SUSAN MORGAN

Photographer: John Ellis

In the living room a white Soft 02 sofa by Piero Lissoni for [Ciappellini](#) meets a '70s Christian Dior cocktail table by Gabriella Crespi (who did the brass side tables as well), while a pair of *Rive Droite* swivel chairs by [Patrick Norguet](#), also for Cappellini, balances a vintage *Soriana* chaise by Afra & Tobia Scarpa for [Cassina](#); art is by Yek. Stewart painted Baker's sunburst mirror white; the snowy Sèvres porcelain bust of Lafayette is from [Moss in New York City](#).

This article was featured in the [March 2009](#) issue.
